THE DETAILS

Built for how you actually live

Each residence is paired with a generous **15' × 50'** storage building fronted by a **12' × 14' overhead door** — tall and wide enough for a truck, boat, RV, trailer, or a full workshop, with plenty of room to spare.

The buildings are **fully insulated and finished**, so you can heat, light, and outfit the space exactly the way you want it — a true year-round extension of your home.

- ✓ Fits trucks, boats, RVs & trailers
- ✓ Year-round, fully insulated space
- ✓ Deep enough for a full workshop
- ✓ Included in the price of your lot

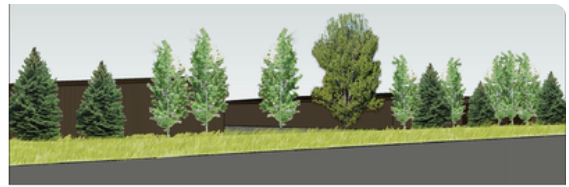

** Read CCRs for use restrictions.*
